

## DAVID TUCKER

Dave is a former GE and PHH senior executive with over 30 years of experience leading large global businesses, mergers & acquisitions and finance organizations.

As Executive Vice President of PHH Corporation and President of PHH Mortgage, Dave led one of the country's largest non-bank mortgage companies through an unprecedented industry cycle and business turnaround. PHH Mortgage was the nation's 5th largest mortgage loan originator and 8th largest mortgage loan servicer, with \$36 billion in loan originations and \$1.2 billion loan servicing portfolio.

Dave's 25-year career with GE covers a broad range of industries including Energy, Oil & Gas, Financial Services, Plastics and Aircraft Engines. From 2006 through 2009, Dave led GE Oil & Gas - Drilling & Production Systems, a \$2.6 billion global oil & gas equipment and services business with 5,800 employees in over 40 countries. Formed from the acquisitions of Vetco Gray & Hydril Pressure Control, Dave led the businesses through rapid restructuring, global integration and to record financial results.

Prior to this, Dave led GE Energy Power Service, a \$2.5 billion provider of power plant services with 3,000 employees operating in more than 100 countries. In 2001, Dave was tapped to accelerate the growth and diversification of GE Energy as head of Global Business Development. Responsible for strategy development, merger & acquisition and integration activities, his team completed over 30 transactions delivering one of the most expansive periods in GE Energy's history.

Dave also held several leadership roles in GE Capital. In 1995 he joined GE Capital as Vice President & Chief Financial Officer of GE Capital Vendor Financial Services, an \$8 billion global equipment leasing business. In 1997, Dave was Chief Financial Officer for the GE Capital Equipment Management Group, providing finance leadership to nine GE Capital businesses with over \$19 billion in assets. He assumed leadership of the GE Capital Audit Staff in 1999, responsible for all Corporate Audit activity across GE Capital's 23 global financial services businesses with more than \$370 billion in assets and \$5 billion in earnings.

Dave is graduate of Bentley College, and an alumni of the GE Financial Management Program and GE Corporate Audit Staff. He is also a past member of McKinsey & Company's Acquisition Integration Council and Fannie Mae's Client Advisory Group. Dave and his wife Denise reside in Atlanta, GA.
